GOING BEYOND VOCABULARY DRILLING

BRIGHT – THE LEARNING CENTER
REDEFINES SPEECH THERAPY!

BRIGHT The Learning Center – A center for neurodiverse children transforming lives for more than twenty years. BRIGHT shows that a holistic approach to communication and self-expression is what a neuro-diverse kid needs.

BUILDING CONVERSATIONS – NOT SENTENCES

"The ability to speak is just the first puzzle piece. A normalized communication involves understanding, questioning, and engaging with others. While vocabulary drilling and word repetition are the foundation, we also focus on question initiation, comprehension skills, dialogue formation, storytelling, executive skills, and behaviour conditioning." Dr. Akila Palani, an Audiologist and Speech Language pathologist also the Director of BRIGHT – The Learning Center says.

For many neuro-diverse children, learning to speak and expressing their needs are the major hurdles. Once the child succeeds through those, parents assume that there is nothing more that a speech therapy could add. "A good transformation includes transition from a single-word response to phrases and then to sentence. Then the child has to understand direct conversational cues

Today, BRIGHT is the brand that has seven records broken by neuro-diverse kids – Fastest kid to recite all the countries, capitals and currencies for India Book of Records and Kalam Book of Records (R.S.Dharaneeesh), Maximum reverse English words read by a child (A. Adhithvi), Maximum reverse words in Tamil read by a child in five minutes (A. Adhithvi), Maximum calendar days recalled by a child in 25 years (R.S. Dharaneeesh), Maximum species of butterflies identified by a child in one minute (A. Adhithvi) and Maximum reverse English sentences read by a child in five minutes (B. Asvanth).

Dr. Akila Palani emphasizes that progress should be measured not just by effort but by the outcomes in real-world scenarios. By focusing on tailored methodologies and setting meaningful goals, families and therapists can work together to transform lives, one milestone at a time.

BEYOND CONVENTIONAL
MATRICULATION

Parents assume that children have to choose between State Board and Central Board. In addition to these, NIOS offers a flexible curriculum and examination schedules for the children. "With the

pattern of examination and subject choices, the children can choose a curriculum that fits their interests and strengths." Says Pavithra Palani.

"Parents often overlook the fact that NIOS certification is government-recognized and holds the same credibility as other matriculation options. With more than 20 children passed out with NIOS certification, several are pursuing their higher education at reputed colleges like Madras University, SRM University, MGR University, and more. And, many have completed their education and have started their career in respective fields." Says Devi Palani, Administrator, BRIGHT.

A SUPPORTIVE ENVIRONMENT FOR
UNVEILING HIDDEN TALENTS

"Having a speech delay or a developmental delay is no excuse to assume that the child is talent-less. Each child has a unique skill and we can tap their communication skill only when we identify that talent. By channelling that talent, it is actually easier to groom our kids to break records than a neurotypical kid." Says Dr. Akila Palani.

Today, BRIGHT is the brand that has seven records broken by neuro-diverse kids – Fastest kid to recite all the countries, capitals and currencies for India Book of Records and Kalam Book of Records (R.S.Dharaneeesh), Maximum reverse English words read by a child (A. SScope Global School proudly celebrated the achievements of its talented students who participated in the State Level Interschool Athletics Meet held on 7th December 2024 at the Jawaharlal Nehru Stadium. The event witnessed energetic participation from schools across the state, fostering a spirit of healthy competition and sportsmanship.

A total of 39 students from Scope Global School competed in various athletics events, showcasing their hard work, determination, and team spirit. Each participant earned a well-deserved participation

certificate, reflecting their commitment and resilience.

Adding to the excitement, the school was honoured with a trophy for special note of thanks to the parents for being so cooperative and supportive throughout this journey.

having high number of participants, a testament to Scope Global School's emphasis on holistic development and active student engagement.

extracurricular activities.

Special kudos to the winners of individual events who brought glory to the school with their stellar performances. Their success stands as a shining example of dedication and discipline inspiring peers to aim higher.

The school extended

heartfelt congratulations to all the participants celebrating not just victories but also the courage to compete and give their best. A special note of thanks to the parents for being so cooperative and supportive throughout this journey.

The school also extends sincere gratitude to the coaches, Prabhakar and Merlin, for their invaluable guidance, and to Prabhakar, Merlin and Sathya for accompanying and staying with the students throughout the day. Their efforts ensured the event was a memorable and enriching experience for all.
