On Saturday, February 1st, Scope Global School hosted its much-anticipated Annual Day 2024 at The Chinmaya Heritage Center, Harrington Road. The grand event witnessed over 275 students showcasing their talents on stage, while nearly 500 enthusiastic parents and well-wishers filled the audience, making it a memorable evening for all.

The event commenced with the traditional lighting of the lamp. Following this, the Principal, Dipti Sharad, addressed the gathering, offering a summary of the school's achievements over the past year. She highlighted the various activities undertaken by both students and teachers and emphasized the importance of Health & Nutrition, Emotional Intelligence, Financial Literacy, as essential life skills in today's education.

One of the most awaited segments of

the evening was the presentation of the school play, The Pirate King. The play narrated the thrilling journey of a young boy who embarks on an adventure with his cousins to meet a group of dancing pirates. Initially rejected due to his lack of dancing skills, the boy ultimately wins over the Pirate King's heart by inspiring the pirates to create a new dance based on love and cherished memories. The play, filled with humor, music, and energetic performances, captivated the audience and received resounding applause.

The response from parents was overwhelming, with many expressing their appreciation for the school's dedication and hard work. Here are some of their heartfelt words:

"This year's Annual Day, with its theme and presentation, truly reflected the immense effort put in by the entire school

team. Kudos to the school! We parents were thrilled to be part of the function and enjoyed it thoroughly".

"The event was incredibly well-organized. The pirates' play and the dances from each grade were simply amazing!"

"Right from the theme to the costume and the level of confidence shown by the children on stage was amazing."

The overwhelming appreciation from parents serves as motivation for the school to continue fostering creativity and excellence. Scope Global School remains committed to providing a holistic education and nurturing young minds, ensuring that every child entrusted in its care receives the best opportunities to grow and shine.

As the curtains closed on Annual Day 2024, the echoes of applause and laughter lingered, marking yet another successful celebration of talent, teamwork, and school spirit.
